Block Exchange

Block exchange on the website is currently under construction

Templates to be "sharpie longarmed" can be downloaded from the block exchange area of our website or by contacting EVA at membership@inmq.org. Remember! Submitting one each of this year's eight designs earns you a copy of the newest booklet which will be released at the WSQ show in October. Please place your identifying information in the area just under the design. There is a lot of room there and it allows for easier formatting of the pages. The sale of these books funds a lot of our programs, please help make these books a worthwhile purchase.
